F.A.O. Mr. K. Gyamere

Dear Mr. Gyamere,

RE:- 33 Hereford Road, 2596/16

We write to express a concern we have regarding the above planning application.

Whilst we appreciate that the bulk of the objectionable issues from the previous application (0777/16) have been removed from this new application, one aspect remains - the side dormer.

A loft conversion to a hip ended roof necessitates a side dormer to make the loft conversion of any acceptable size, however, this would make the resulting roof line inconsistent with the street scene.

Yours sincerely
for the Counties Residents' Association

Malcolm Dowers
