Dear David,

Thank you for your recent letter regarding our support for the outdoor cinema of Sunday 28 August and for closer working, to see if our organisations can be of benefit to each other.

The Committee regards the Rugby Club as a valuable local resource not only for the sporting opportunities which it provides but also for the family social activities which it organizes. Over the past few years a lot of effort by you and your Committee has led to the increasing success of the Club.

We shall publicize the Open Cinema in our next newsletter, which will be circulated shortly: also we would be grateful if you could send or email us an A5 size portrait poster about it, so that we can put it in our noticeboard.

As you are aware, car parking during your matches has created problems for our residents. You have asked people attending matches to park responsibly and have now split the rugby festival into two weekends. We wonder if improving the quality of your car park might encourage more drivers to park there, which could alleviate the problem, while one of our Committee Members felt that the use of coaches might be helpful.

We wish you every success in your enterprise.

Yours sincerely,

Helen Zammett
Chair
