Dear Sir or Madam,

**Town and Country Planning Act 1990  
Town and Country Planning (General Development Procedure) Order 1995**

**Description of**

**Development:** Wooden notice board for use by Counties Residents Association and Counties Neighbourhood Watch.

**Location:** Adj. to 43 Grove Park, (On Leicester Road Elevation), Wanstead, E11 2DW

Your application has been confirmed as valid and preliminary consultations have been carried out. The application has been given a deposit date of 17-Dec-2010 and is formally acknowledged. **Please display the attached SITE NOTICE on site as soon as possible, in a prominent position, legible from the street. The SITE NOTICE should remain in position, for at least 21 days. A clear plastic sheet will protect it from the weather. A missing SITE NOTICE may cause delay in processing the application. A site inspection by my staff will be made. Please contact my assistant to fix an appointment if access is not always available.**

For further information regarding progress with the case, please contact the case officer. If you have not received this Authority's decision notice by the 10-Feb-2011 you may appeal to the Secretary of State under Section 78 of the Act. Appeals must be sent within three months of that date and on forms obtainable from the Planning Inspectorate or at [www.planning-inspectorate.gov.uk](http://www.planning-inspectorate.gov.uk). You cannot appeal if you have agreed in writing that the period for decision can be extended, or if the Council has already referred the application to the Secretary of State.

Occasionally, we may need to amend the description of development. Please check the above description and if you disagree with any changes, please contact me in writing within seven days of the date of this letter.

Yours faithfully,

**Ferhan Coggins**
