Dear Mr Romain,

On behalf of the Counties Residents' Association I am writing to express our thanks for your speedy visit to 50 Gloucester Road Wanstead. It is particularly good of you as we know that Council resources are very stretched at present and so we really do appreciate your action. For our records, I would be grateful if you could confirm that the owner of the property knows that it is in a conservation area, that he realises that he cannot touch the existing trees without permission and that he will need to make a planning application before any building can take place on the site.

Yours sincerely,

Helen Zammett
Chair, Counties Residents' Association
