## Statement by Mrs Helen Zammett representing WASRA regarding the Appeal concerning 73 High Street Wanstead

The Wanstead and Snaresbrook Residents' Alliance [WASRA] is both puzzled and concerned regarding this appeal, made on the grounds of non-determination.

We are puzzled as we have been unable to find any plans to examine either on the Redbridge Council website or the Government Planning website, while there are no planning notices or letters from Redbridge Council regarding this. Therefore we cannot see how there has been any public notification of the planning application. Additionally we cannot see how there can be any meaningful discussion of plans which are not available.

We are concerned because it appears that the rules of planning applications have been breached by the appellant: how can an appeal be accepted when there are no plans available?

WaSRA is an alliance of the following organisations committed to the protection of Wanstead and Snaresbrook
