Dear Sir/Madam,

RE: Wanstead Parking Proposals 2017

We attach a report prepared by the Counties Residents' Association [CRA]. This report details our assessment of and views on your proposed Wanstead parking scheme and the public consultation undertaken to determine the acceptability of that scheme.

As you will see, the CRA has three main areas of concern:

1. The case for imposition of the parking scheme has not been made.
2. The flawed consultation process, including its biased documentation* and haphazard distribution, leaves the validity of this exercise in question and potentially opens the possibility of a legal challenge.
3. The proposed new parking scheme (including both Pay and Display and permit parking elements) would significantly damage Wanstead's local economy, particularly the High Street.

* including the Council's A5 flyer stating "***Making parking fairer and keeping traffic moving***" distributed w/c 24/4/2017 regarded by many as "*outrageously biased*".

Yours faithfully,

HELEN E ZAMMETT
Chair, Counties Residents' Association
