Dear Mr Dowers,

Public Meeting - Wanstead Police Station

As your local councillors, we are extremely concerned that the future of Wanstead Police Station is once again under threat.

We strongly believe that effective community policing needs a permanent police base in the heart of the community.

We have called an extraordinary meeting of the Council's Area 1 Committee (local area committee for Wanstead and Snaresbrook) to discuss this crucial issue. The meeting will be held in the Churchill Room at **Wanstead Library on Friday 14th September from 7.15pm**, and Council Leader Keith Prince, London Assembly Member Roger Evans and senior representatives from the Metropolitan Police will be in attendance.

We are working closely with a number of residents groups to protect our Police Station; if you are unable to attend the meeting on 14th September but would like to support the campaign, please fill in the petition slip below and return it to: **Wanstead Police Station Campaign, Sevenways House, 9 Sevenways Parade, Gants Hill, Ilford IG2 6XH.**

In the past we have successfully defended our Police Station from previous attempts to close it - with your help we can do so again.

Yours sincerely,

Cllr Thomas Chan Cllr Mrs Michelle Dunn Cllr Alex Wilson

.....
 I WISH THAT THE PRESENT BUILDING OF WANSTEAD POLICE STATION BE RETAINED IN ITS CURRENT ROLE AND UPGRADED IN ORDER THAT IT CAN CONTINUE ITS FOCAL ROLE IN OUR COMMUNITY.
