

Based on the data provided and discussed during this evenings meeting (attached), the MPS proposals for public access in Redbridge are as follows;

Iford police station will remain fully operational and open for public access '24/7'.

Barkingside police station will be open for public access on a reduced basis.

Woodford police station will be closed to public access.

Wanstead police station will be closed to public access.

In the spaces provided below, please detail any thoughts and opinions that you may have regarding both the information above, and the subject of alternative access points.

Reduction of existing public access

Future public access points
