New e-mail scam from HMRC telling you are due a refund on your Council tax! no_reply@georgetown.edu .please delete this email.

.GOV.UK has a get link on it for the DVLA where you can see if a vehicle has road TAX and MOT .

No road tax's means the car should not be on the road. No MOT means that the vehicle can not be driven and if the vehicle can not be found on the system it might be lost or stolen.
