I am getting reports that many residents have seen and also been victims of vehicle interference where suspects are going around trying car doors. This is not a new crime, but does seem to be on the rise in Wanstead. Please double check your vehicle is locked before leaving it. If you use fob entry be aware of where you leave it over night and that it is not within distance of your car to open it. Think about using additional security like wheel lock and do not leave valuables in your car overnight. If you see people trying vehicle door handles please call 999

I have been informed that Redbridge council are sending out letters to everybody regarding the Electoral Registration, please
