

Snaresbrook Newsletter

Below is an indication of burglary and vehicle crime figures for the last week. Please understand that these figures were correct for your local area at the time of this letters creation. Figures may have changed from this time to when this letter was sent out.

Dear resident

Below is a brief breakdown of burglary related crime which has occurred in Snaresbrook Ward in the last seven days

Street name	Crime type	Event date	Comments
New Wanstead	Attempt burglary	17/10/17	Gained entry through rear window of property
Nightingale Lane	Attempt burglary	21/10/17	Failed attempt to take car keys through front letter-box
High View Road	Burglary-D	22/10/17	Entry through front door, tools left on site were taken
High View Road	Burglary-D	22/10/17	Entry through front door, tools left on site were taken
Wellesley Road	Burglary-D	23/10/17	Shed broken into, bikes taken
Bressey Grove	Burglary-D	24/10/17	Entry though back window possibly left unlocked, jewellery taken
Bressey Grove	Burglary-D	25/10/17	Entry through back door, cash and jewellery taken

Key:

An 'Attempt' marker in the crime type field indicates that a suspect has tried to break into a premise but was unsuccessful for reasons unknown

A 'Non-D' marker indicates that the premise broken into was a building that is not normally a residence like a garage or a shop.

A 'Burglary-D' marker indicates that the building broken into was a home or a dwelling.

Below is a brief breakdown of vehicle related crime which has occurred in Snaresbrook Ward in the last seven days

Street name	Crime type	Event date	Comments
High View Road	Vehicle-I	17/10/17	Vehicle interfered with, nothing taken as owner left the vehicle empty, no damage

Bressey Grove	T/F/M/V	26/10/17	Tools stolen from within vehicle

Key:

A 'T/F/M/V' marker in the crime type field indicates that a (Theft From Motor Vehicle) has taken place. This mean a vehicle has been broken into in order to take object/s from inside without permission from the vehicles owner.

A 'Vehicle-I' marker indicates that vehicle interference has taken place. A suspect has tried to gain entry to the vehicle without success and without causing damage, i.e. pushing a window down.

A 'T/O/M/V' marker indicates that a vehicle has been taken without the owners permission.

Please report any suspicious activity on 101 or 999.
