Please report anything suspicious, no matter how insignificant you might think it is, to the Anti-Terrorist Hotline on 0800 789 321 or online; it may be a vital piece of information. In an emergency, call 999.

RUN - to place of safety. This is a better option than to surrender or negotiate. If there's nowhere to go then...

HIDE - Turn your phone to silent and turn off vibrate. Barricade yourself in if you can.

TELL - The police by calling 999 when it is safe to do so.

Email from resident. Scam phone call

A resident was bombarded every hour on the hour for 2 days with calls purported to be from BT regarding an issue with their internet service. Firstly, BT are not their internet providers and secondly every time they started to question them they hung up. In the end they asked the lady if I should just hand over my financial details to her and she laughed and said "yes please" before hanging up!
